

THE SUMMIT COOPERATIVE WEED MANAGEMENT AREA PRESENTS THE 2024:

GARLIC MUSTARD GAMES

JOIN US AT GLENWOOD CEMETERY JUNE 22 | 9 - 11 AM

Do you have what it takes to be an ecological champion?

Garlic mustard is a state-listed noxious weed known to outcompete native vegetation, degrade soil quality, harm native pollinators, increase wildfire risk, and diminish overall forest resiliency. Help our community beat this weed by entering the 4th Annual Garlic Mustard Games!

Event Details

All weed materials, water and snacks will be provided. Meet at Glenwood Cemetery with close-toed shoes, long-sleeves, pants and gloves. This event is open to the public; no RSVP necessary!

Join the action!

The Garlic Mustard Games is a summer-long garlic mustard pull competition. Form a team of one or more and join us for weed pull events throughout the summer! Enjoy opportunity drawings at every event AND compete for the grand prize. Teams that pull the most garlic mustard by the end of the season win a food truck party!

Visit summitcwma.org and follow the **Summit CWMA**

Keep an eye out for our trailside weed pull stations!
